“ *This still doesn't seem real, we had a lot of good times that I'll never forget. Life happened we went our separate ways but we still managed to stay in touch. It's been almost 5 years since we last seen each other, knowing all this now I wish I could've seen you one last time and chatted about how things were going. I'm really gonna miss you. Already have. Rest easy I know your mind and body are now at peace. Keep watch over your mom and Heather, i can't imagine how hard this is hurting them.*
