“ I grew up as neighbors of Jimmy and Martha. I was the same age as Larry. Larry, Dennis and me played and work together. Jimmy would teach us how to cut tobacco and Haul hay. A lot of the time he would just try to keep up with us and make sure we wouldn't going to killer ourselves doing something stupid but they were good times. Joe

“ I loved coming to the farm when I was younger and visiting with Aunt Lillian, Uncle JW and all the "kids." It was so much fun to be in the country with many of my relatives. Prayers and love to all the family for your loss.
