“ I will miss you so much. You were my mother at a time when I needed one and had nowhere else to turn. I am so glad you were there when Holly was born, and so thankful you were such a part of our life at that time. I hope I brought you as much happiness as you brought to myself and my family. Although we haven't kept in touch as much since life took us in different directions, you were often in my thoughts and prayers. I didn't get to say goodbye, for I did not know you were sick, and for that I apologize. I take comfort in knowing you are at peace now and can keep my father company and in line (ha ha) until we see each other again. I love you-
