“ I can remember Lil Moose from the playgrounds of PES when we called him BA. I remember when I first started playing football he would tell me to stay behind him he would clear the way. I remember how hard he would compete and how he always wore a smile no matter what! Cuz you will be missed by all man and it hurts to write this fam cause we never saw this coming! Brother rest on no more struggle! To the family know God will help through these valley days. He is Able!

“ How do you measure how well a person lived? By the impact he makes on lives of others. I am so proud God blessed me enough to allow you to be my nephew. You will be missed. Your greatest legacy will be the way you raised your sons and how you took care of your parents. R.I.P my gentle Teddy Bear.

“ Proverbs 22:1 A good name is to be chosen rather than great wealth: To be respected is better than silver and gold. I can't think of a better person who describes that verse other than Jason. Your character spoke volumes to who you were and how you had lived your life. You are a friend for life and will be greatly missed.
