“ *In Loving Memory*

My husband was a loving, kind, and generous man who always put others before himself. He was quick to help, patient in listening, and constant in his encouragement. To know him was to feel cared for and supported.

To me, he was my partner, my comfort, and my greatest love. Though his absence is deeply felt, his kindness, strength, and love will live on in the hearts of all who knew him. He will forever be loved and never forgotten.
