“ Mr. Jerry was an amazing man. I remember when I was in high school, he would come in Johnson's Foods and there wasn't a person in there that didn't know him. He had also made lots of friends at Home Depot. He would come in and we would talk for forever. I am going to miss our talks and his smile and laugh. From myself and everyone he knew and talked to at Home Depot, our thoughts and prayers are with his family!
