“ I did know this man. He worked on my car before and I had a sugar spell in his driveway. He helped me. God Bless this man. He was a good one. He could of called cops to me but didn't. He came out to car and checked on me. He will be dearly missed. Great mechanic. Love, Ashley n Abel Holley

“ Mr Foreman as we called him, but I will always remember his voice saying Jesse when I called him. He was a great mechanic and a better friend. He and I did some crazy things to keep my daughters and son's cars on the road. He also was the provider of Scooby Snacks to my youngest son, Jacob who has Downs Syndrome. "Mr Jesse" always keep his 4-wheeler in running order and Jacob appreciated that. To his family, just want you to know he will be missed by so many folks. But his battle is over, he fought the good fight, he finished the race God had for him. I look forward to seeing him again in glory. I just hope our mansions are close to each other. If I can ever help you in any way, please give me a call.

“ Bro Jesse was always a special brother in the Pulaski holiness church and all others who knew him. He was always ready to give a helping hand to those In need. Haven't been able to see bro Jesse and his family as I had to move from Pulaski, but when ever I have seen him in the passing years He would always greet you with a beautiful smile and hand shake, that made you feel special. He had so many friends that will love and miss him. He left big feet prints to fill. He was a great worker for the Lord.

He will definitely be missed. One of the last true mechanics. Will miss calling and hearing him say Jessie. He was a true and honest man and mechanic. No hidden fees. Would always call and let you know before putting extra parts on your vehicle or charging you.
