“ Emily and Amy, Tim and I are saddened to hear about your Mom. You are in our prayers. Take solace in the many prayers that are being offered for you all. Your parents will continue to touch all who knew them and their kind and gentle yet spirited way. You are both an extension of that spirit and it lives in you.

“ Emily and Amy,

I was sorry to hear about your mom. When we lose our parents it is really a hard time, especially because we love them and they brought us into this world. It has been some time since that happened to me, but as time passes the pain you have now will turn to fond memories and greater appreciation. One scripture that is a comfort for me is John 5:28,29. I hope it will give you hope for the future.
