“ Joann, or as my granddaughter called her, Ms. O’Jann, was so dear to me and my family. After my parents passed away, she filled a special place in my life. She was also a beloved friend and neighbor, and has been sorely missed in the neighborhood since she moved to assisted living. She will always have a special place in my heart. We rarely missed a day to visit or walk our dogs! She could always lift my spirits or share her wisdom, and I cherish the time we were able to spend together. My life is richer and fuller for knowing her and I thank God daily for that gift.
