“ Oh my goodness. I am so sorry for your loss Fran. I was thinking of Michael the other day and thought I never did follow through on my word to get you in touch with my friend. I have many, many fond and happy memories of all of us going to eat and me staying at the B&B. I have been meaning to come visit and actually that was part of my thought over the weekend that I should have come down. I must have known something. I will come see you soon. I love you and loved Michael. Y'all were and are still dear, dear friends. Know that he is "well" now and he and Thomas (my deceased husband) can continue their conversation they started 17 years ago before Thomas passed away. Love you....Kim Holden
