“ Robin, I was very sad to hear of Johnny's passing. Baseball brought us together when we were teenagers and I took to him right-a-way. Loved being around him and competing with him and against him. You and Johnny were blessed with a great family and I will remember you all in my prayers over the coming days and weeks.

“ Today we remember John Allen Farrar (Johnny) who played a very special part of our life. In October 1973 he honored us by being our Ring bearer on the day we were married. When he was 14 we carried him on a trip out west to see all the sights. From Nashville to the Pacific coast, we made memory after memory. He was funny, always smiling, and loved everyone. Now both the young boys we made those memories with reside in heaven... RIP Johnny and give Dusty a great big hug for us. Love ya Jimmy and Ava

“ Robbin it was good to see you and Johnny back a year and a half ago and talk for a while. I did appreciate Johnny calling me about Buster at the time. It gave me and Johnny time to catch up from so many years that had passed since our high school years. I hope to see all of you guys again soon. You and Johnny have been and will continue to be in my thoughts and prayers for some time. Keep the faith.

Sincerely,
Gerald Johnson

Robin, this is Senino, yes it's me! I am sorry 😞 to hear about Johnny. We worked together many years ago @ Nissan. He always had a smile 😊. He was one of those people if you met him you would never forget him. When I found out he was married to you and was Anita cousin, it was on and popping... His smile will always be with me and my husband Melvin. May he Rest In Peace and you know he loved his family...
