“ He helped me lead the Richland Middle School football program. He helped me become a better coach. He carried me to a Promise Keeper's convention thus helping me become a better husband. We shared countless hours of bible study together thus helping me become a better Christian. God allowing our paths to cross during our time on Earth certainly helped me become a better man. - Thomas Henry Davis, Jr.

I have missed Bill so much the past nearly two years at our church. I will continue to look over and miss seeing him but I know he has fought the good fight and has entered into his reward, well done thou good and faithful servant! I've known Bill for nearly 30 years and he has always stood true to his faith in Jesus. He welcome Robby and I when we came to the well three years ago. He took up with Robby or as Bill called him Robert, that was a blessing bigger than Bill could've imagined for both Robby and myself. He began attending the men's meetings in Columbia with Robby for several months until his health wouldn't allow, out of those car rides to Columbia grew the Pulaski men's county wide ministry crossing denominational lines and with Lawrence and Maury Counties and Giles County happening at our beloved The Well CoG. Today this is a thriving ministry and Bill Horn has as much to play in the beginnings of this ongoing ministry as he was the encourager to Robby. What a blessing he is to us and what a legacy he leaves here on earth! We love you Bill and will see you again, enjoy the glories of Heaven brother and tell us all about it when we get to the other side. Donna, John, Lee and Christine, I'm so sorry for your loss. Many prayers thru the days ahead.
