“ My cousin Johnny were 2 weeks apart. I will truly miss him. We always stayed in touch. John was a kind person and would do anything for anyone he came into contact with. When our Grandfather was still living. Mom and dad, Pat and I would come to Knoxville to go to the UT Games with Johnny. Mom and dad would go with Aunt Ginny and Uncle Bud. What great times we had. Also our two families were close and would do our family reunions in Gatlinburg every year. Johnny, just know you were loved so much! Now you are in Heaven with both our parents. . May God Bless your family, Debbie and Charlie Lay

“ We have known John for twenty-three years. We have many wonderful memories with John and his family. Lacy and Allison (our daughter) have been best friends since 1993. John loved taking his girls to sporting events especially the University of Tennessee football games. He worked hard to provide for his family. He never missed any game in which his girls were playing. He loved to watch and keep stats of each game. He encouraged and supported many team players along the way. John did many nice things for my family as well. He had a big heart and was always willing to lend a hand to those in need. We will miss you, John. We love you.

“ Dear Marsha and family - Please accept our condolences for your loss. John and i shared great memories from ETSU and UT when we were college chums. Had it not been for John I probably would have never met my wife Marcia. John always brought out the best in me in playing basketball or in a tennis match. He was a very positive and fun guy to hang out with. He will always be part of my favorite stories. We pray God will comfort you with His peace during this difficult time. Greg and Marcia Bouchillon
