“ I coached John in basketball when he was junior high. He was always a quiet young man that put his all in when he was doing something. I always thought highly of him. He was a very good ball player.

“ We always had the best times growing up! We ate so many delicious dinners at Bubby and Daddley's. We had fabulous family reunions all throughout our childhoods. Pretty sure he was part of the older cousin group with Don, Johnny and Kent that told me about Santa Claus when I was like 5! I loved going to Aunt Oie's house and in John's room. He had like cedar or paneled walls with 45's ALL OVER THEM! SOOO COOL! I used to take pics of John and Ritchie to school and all my friends would say you're cousins are so handsome and I would say yes they are! John I will never forget you! You were just a wonderful guy. Love to you all. Love, Mindy
