“ One of the sweetest memory's I have is when Tammy, Shayna, and Tre was all at my house and we were sitting on the couch and Tre was still in high school and Shayna had already had Braxton, he wanted to go get something to eat, Tammy said no we have something at home, Tre got up and sat in her lap and snuggled up in that sweet spot up against his momma's neck then he raised up and kissed her on the cheek and said I love you mommy!!! Shayna said uhh it's all over with now Tre is the baby and knows how to get what he wants!!! Tammy said I love you too baby where do you want to go and Shayna sat down beside them and snuggled in and said I love you too mommy and baby Tre so needless to say they went and got something to eat!!! That memory will always stick out in my mind! I love y'all !!!!
