“ Jojo, we will miss you much. Ava we are so sorry for your loss . I have alot of memories but the best one was when he worked a week with us laying water line. That Friday on our way home he leaned over talking to us both, and told us how much he enjoyed working with both of us. He told me that I worked the heck outta him but it was the best week ever. Hope you are at peace Jojo.. you will be missed by many. God bless you always 🙏❤️)
