“ Sweet precious Judy💜... although I just realized our Judy has passed I must share of her love and laughter that she shared with so many... years ago I met Judy through a mutual dear friend. She immediately hugged me and proceeded to bring me to tears of laughter. From then on each encounter with her was filled with love and laughter. Two memories... when we lost that dear mutual friend it was Judy who held me, loved me and reminded me that our dear Pat would want us to live on and love many... again loving hugs and memories of laughter given freely from sweet Judy... another memory ...as a teacher, I was blessed to have Judy's granddaughter in my class. For a school fundraiser our class created a specially hand painted chair to be used as a flower stand. Well, Judy “was going to have that chair” with her grandbaby's art on it!! The auction off of our chair was very intense as many wanted that chair 😭... when all was said and done our sweet Judy went home with her chair.. Again, she filled a moment in my life with love and laughter 💜... our sweet Judy is sharing all that love and laughter in heaven now... To those left behind...please continue her legacy of sharing love and laughter. To my dear Gracie... Ms. Bledsoe loves you and is so proud of you!! Here for you always, sweet girl...🙏💜🌻
