“ Dear Family,
What an incredible Labor of Love you all have just completed as you provided the very best care for Ms. Kathryn right up to the end. Now that your Labor of Love is complete, may God now go to work to heal your hearts as you travel on a grief journey for a while. What a beautiful picture in words you shared when you quoted Ms. Kathryn saying, "I have always had an open door policy." Beautiful! That is how one can travel through a grief journey by Remembering to Remember and to continue to tell the great stories of a life well lived. Jesus -- The "man of sorrows" is acquainted with all our griefs so he completely understands and cares about you all. All of the staff and care providers here wish to extend our condolences. May the Lord bless you and keep you and may He send His incredible peace to fill your hearts.

“ I am sad to hear of our dear Kathryn's passing. She was such a warm and open soul and I will never forget spending time with her around her kitchen table learning about the Cox family. She was gracious and kind and loving to me and to my girls. You are in my prayers.
