“ I remember the day Kenny was born. His mother Louise and my mother Rubye Marie were sisters. There was another sister, Mary. Louise and Mary married brothers. Louise and Rubye were pregnant with their "babies" at the same time. Louise delivered Kenny on Jan. 2, 1953 and mother delivered Paul Jan. 31, 1953. All three sister had three children. Mary and Louise had all boys. My mom had two boys and myself. We had many good times together.

“ My favorite memory of Ken was at work at ULA. He threw this paper airplane at our inspector and we all thought it was gonna miss, but at the last second our inspector stood up and the plane crashed into the back of his head. Ken was so funny and such a great person to work with!!
