“ Mrs. Sarah and Chad, We are so very sorry for your loss. We are so blessed to have known him through the Giles County Band program. We sat through many a competition and had many laughs. Larry always was smiling and had a story to tell! He was the best at that.....Pulaski will not be the same without him. May God watch over you and comfort you during this time. We will continue to pray for your family.

“ *I have just heard about Larry Watson passing away. My heart just hurts to learn of this. Larry was the type of person that would go above and beyond to help anyone. He knew the meaning of true customer service. He was a good friend and a great business man. We will greatly miss him, his humor, his laugh and his caring attitude toward all people. Chad, you were talked about so much whenever Larry came in, he is so proud of you. Congratulations both of you on your upcoming baby being born. I am sure Larry would have loved every minute of that. Ms. Watson, I am so very sorry for your loss. I know you were the love of his life and I wish I could say the right words to help. I will keep all of you in my prayers. Melissa Banks*

“ Larry will truly be missed by his family and many friends. My mother, Mary McFarland always had a story to tell about something funny Larry said during Sunday School at Elkton Baptist Church. She considered he and Sarah dear friends and will deeply miss him. My funniest memory of Larry was the day he almost walked through a glass wall at Dr. Rasche's office where I worked. His nose was flattened for a few seconds. We laughed about that for years. He fought a long battle of illnesses but was always smiling. I pray that God will fill the void in Sarah and Chad's heart and they will be filled with fond memories of their loved one.

“ Larry was my Uncle and a wonderful man. You always knew when he was around because you could hear him laughing! I will never forget how kind and how much fun he was. I had to be careful going into his store because if I said something like "wow thats really cool" he would say well pick it up and carry it on! He was that generous. When I would get the pleasure of seeing him and Sarah on a vacation he would take me for a ride in his car and boy what a ride it was!! He'd laugh and say now don't you tell Sarah!! So Sarah now you know that man COULD drive! I could go on and on with stories but I will just have to keep those memories to look back on. All of us here in Phoenix will miss him.. Sarah please give hugs to everyone for us and Chad be strong, things DO get better with time.

Love, Doug & Sharon

“ Sarah,

*I am so sorry you have lost the love of your life. Larry was the kindest and one of the most accomidating persons I know. - Always there to help, wanting family to stay at your beautiful home, giving us office supplies from his store and of course, telling stories that would make me laugh. I remember as a small kid when Larry was leaving for Vietnam. Everyone was gathered out in grandma and granddaddy's yard crying. He made it back. He made it back.*

*It doesn't seem real. Living so far away and not getting back there to pay my respects and share my love for one another leaves me with a sad, empy feeling. I am so glad I visited everyone there a few yrs back.*

*There's no doubt that your care for Larry extended his life. It is only right that God took his life with you near by. I hope you are doing OK. That's a tough thing to go through. I was with mom. For years I would still think I could call her each week.*

*It is hard to wrap up this memory note. I am typing and crying at the same time*

*I am sending you comfort and love. You are an awesome woman. I'm so very sorry Larry has died,*

*Love, Sherry*
