“ *I know you were loved. I know you loved your family. You made us laugh so much. You were kind and loving and I absolutely adored you. I didn't get to spend much time with you, I was only a child, but you left and indelible impression on me. You loved your husband and your kids. You were a fantastic sport when we teased you. And you deflected all of our teasing of you about the the other favorite things in your life, Sun Drop and cigarettes. I know you will be missed. I would like to send my deepest condolences to all of your loved ones. No more suffering. Rest In Peace Aunt Lavell,*
