“ I served with Linda in the US Marine Corps. She was a hard working and dedicated Marine. I have many fond memories of Linda and her former husband, Randy Gothart. She was a very beautiful woman inside and out. I haven't seen or spoken with Linda since she and Randy left California. RIP

“ Linda was such a loving, caring person. I had the pleasure of working with her at GSA for the better part of 12 years. Since our "cubicles" at work were next to each other, we developed a close work friendship. I also was blessed with an opportunity to re-connect with her back in March at a chance encounter at CCI. As we re-bonded, we shared our experiences as cancer patients. Her advice and support to me has been greatly appreciated and I will never forget her.

Linda was an awesome coworker as I worked in Finance with her for many years and up until she retired. She was always talking about her garden and having a place at the Lake with Forrest, her animals and what she was going to do once she retired. I believe she realized some of her hopes and dreams and know she will be remembered with a kind heart.

“It broke our hearts to lose you Aunt Linda, but you never went alone, for part of us went with you, the day God took you home.”
Our Hearts are broken today but you will live on and be cherished.

Love You and Miss You,
