“ *My memories are too many to mention. After 5 years together our families have shared things that most don't. We've spent countless days in a small room with those we love the most. Rita, Mary Ann, and Rex - Your mother was a wonderful, loving person with so much spirit and life. She added so much to the time my Daddy spent with Mother. She had a special relationship with both of them. I truly believe they were waiting at the gates for her. :)*

*Although they are missed they lived long full lives. I am grateful for that blessing.*

*We love all of you and will always be here when you need us.*

*Love,  
Cathy*
