“ Larry and I co-brokered an auction in Belmont, Mississippi a couple of years ago.

On our way back from preparing the auction one afternoon we stopped at the Rattlesnake Saloon in Colbert County, Al for a late lunch.

We ordered the "rattlesnake burger".....after a few bites Larry said "I think I got that rattlesnakes a..hole in my burger" !! It wasn't very good....but we sure had some good laughs.

I always enjoyed any and all the time I got to spend with Larry Garner, he was one of a kind and one of the best !

“ Larry and I shared many good times together at Giles County High School. I would ride my mare, Queen, to meet Larry and his pony, Elvis at his house. We would ride for hours on trails and enjoyed the good times together. Larry's Mother would fix us a big and delicious breakfast. Larry was always a good and true friend with a big smile, generous heart and sincere compassion for his friends. The auction of my Mother's house was conducted by Larry where his kindness, love and friendship was greatly appreciated. Years and distance separated us but when we did get to talk and visit, our friendship never ceased. May Larry rest in peace. Our sincere sympathy goes to Beth and all the family. May God grant you peace and comfort during this difficult time. In Christian love, Terry and Brownie Malone

“ Beth, Ken, Karl and Whole Garner Family,

I am deeply saddened. You all have my most heart felt sympathy.

I worked for Larry and Beth for 20 years and I could not have asked for better bosses but more than that I could not have asked for better friends.

Larry was truly one of the nicest, most generous people I have ever had the privilege of knowing. He will be missed!

*Love you all,
Gina*
