“ *Our loving Manguba, it is my destiny that I was born in our family. I have seen your hardship & sacrifice you have done all your life for everyone of us. But there is end of everything in good way. You have reached to the place where there is no pain or worries anymore. But for me you will be with me & all of us eternally alive in our heart. I loved you so much & going to miss your presence. I have no words to express my feelings. May Almighty God give the strength to each one of us to bear the loss.*
