"Footprints In The Sand"

*You walked with me
Footprints in the sand
And helped me understand
Where I'm going*

*You walked with me
When I was all alone
With so much unknown
Along the way*

Then I heard you say

*I promise you
I'm always there
When your heart is filled with sorrow and despair
I'll carry you
When you need a friend
You'll find my footprints in the sand*

*I see my life
Flash across the sky
So many times have I been so afraid*

*And just when I
I thought I'd lost my way
You gave me strength to carry on*

That's when I heard you say

I promise you

I'm always there

When your heart is filled with sorrow and despair

And I'll carry you

When you need a friend

You'll find my footprints in the sand

When I'm weary

Well I know you'll be there

And I can feel you

When you say

I promise you

Oh, I'm always there

When your heart is filled with sadness and despair

I'll carry you

When you need a friend

You'll find my footprints in the sand

When your heart is full of sadness and despair

I'll carry you

When you need a friend

You'll find my footprints in the sand

“ There are no words to describe what I am feeling right now. I am in shock..and have such a huge void in my life.

Marguerite was much more than my friend, she was the sister I never had...many people would ask us if we were Sisters, which we got such a kick out of.

We were so much alike...

I can say from the heart, that I have never met a kinder, generous person, with a heart of gold, and would literally give you the shirt off of her back if you needed it.

I sit here lost, I suffer a huge loss. I can not imagine what Marguerites family is going through..and my heart breaks for them.

There are no words to make this easier to accept.....I offer my sincerest sympathy, and prayers to help with the pain felt by family and friends.

I love ya Marguerite, I will keep you in my heart, and never ever forget you. I honor your life in my grief, as I sit here in tears. Fly with the Angels....as you were one here on Earth.

Until we meet again...and we will.... I leave you with an Irish Blessing.

*God looked around His garden And found an empty place.
He then looked down upon the earth And saw your tired face.
He put his arms around you And lifted you to rest. God's garden
must*

be beautiful He always takes the best.

*He saw the road was getting rough And the hills were hard to climb,
So He closed your weary eyelids And whispered "Peace be thine".
It broke our hearts to lose you But you didn't go alone,
For part of us went with you.*

The day God called you home

*Much love,
Debbie xo*
