“ *The main thing I remember concerning me; I was suppose to so the Rosary and that day I was too emotional to do so, & she came over & sat next to me took my patted my hand and smiled abit and took over! She is and was a true Spirit embracing all Gods finest gifts to us ! Kind, giving , in so many ways! She will truly be missed amongst the ICC crowd! Thank you Lord God Almighty for sharing her with us! : ^ } Till we meet again...*

“ *When I first started going to Immaculate Conception Church, she would always say hello to me whether it was at the point in the Mass where we extended peace to each other or before Mass started.*

Regardless on how she felt health wise, she always had a smile. I will truly miss those smiles and hello's. Thanks Marty for all the smiles and hugs.
