“ Ms Martha was such a sweet lady. I knew her as my mom’s best friend at NHC. They lived across the hall from each other and visited daily. People called them the Golden Girls! She loved dogs and I would take my two in to visit with her every time I visited mother. She loved to hold and kiss on them. She always showed me pictures of her daughter, granddaughter and great granddaughter. She was so proud of them. She loved the color purple and looked so pretty as she wore it. I loved Ms Martha and will always remember her. She will be missed at NHC.

“ Mrs Tallent was such a kind and loving woman! I loved visiting and caring for her. I remember her devotion to her husband, Mr Tallent. She never had a cross word to say. I treasure the time I was able to spend with her. This world is definitely a better place because she was in it!
