“ Sherry, I am so sorry for your loss. It breaks my heart. What an awesome person. I will always have fond memories of our days “working” at the rubber plant. Seems everyday I would end up in her office and she would be grinning from ear to ear with Tommy’s copy of the USA Today paper waiting for me. One day she told me that he would get so irritated because she would give me his paper first. I asked why she did it then and she grinned and said “because it irritates him”.

Your Mom was awesome and always will be. Thanks for sharing her with your friends.
