“ *When we moved next door to Mary 2 years ago, we quickly moved from just being neighbors to friends and then to almost like family. We are heart broken right now and will miss so many things, her phone calls, her concern, her smile, her flowers but most of all we will miss Mary.*

*Our very deepest condolences to all of her family who were loved beyond words. And yes the world would be a better place if we could see it through Mary's eyes.*
