“ Melody and I skipped school and went to Panama City when we were 14 with my cousin. When we got back and went to school we went to office to get my slip for class, Mr Witt asked if we had a good time in Fla. He grinned that little grin so I thought we are ok. He let us get by that time but warned about next time ! I cherished our friendship with Melody and I loved my dear friend!!! It breaks my heart!!! But thanks we have the precious memories of our 50 year class reunion to hold close to our hearts!! Prayers for all who loved her!!

“ I was honored to be able to take care of Mrs Mary and her husband in the hospital setting until her passing as a nurse. Special couple and I am thankful we were able to give them comfort in this time. I hope to see you again Donnie in Giles County soon. You are in my thoughts.
