“ Harry has known the family for years and Mary Evelyn was one of the first people to welcome me after we moved to Pulaski. She was always friendly and kind and wanted to help people. I remember my mother-in-law taking me by the Sample Corner. Mary Evelyn had excellent taste and she wanted you to like what you bought. We all know she had a special talent with flowers. It did not matter whether it was spring, summer, or fall if you drove by she would be in her yard and was always willing to share her plants with you. The first thing I think of when I think of Mary Evelyn is her flowers and how much she loved her family. She dearly loved her children and grandchildren and was proud of all of them.

May you find comfort in memories and strength in each other's love throughout this difficult time.

We love each and every one of you, Jean and Harry

“ *I am so sorry to hear of the passing of Mary Evelyn. She was a lovely, gracious woman. I will never forget the sound of her voice with it's classic Southern lilt attesting to her legacy of gentility. Her gardens were inspiring, and her home was a haven on beauty and taste. Her passing is a loss to our community and a certain loss to the sisters, friends, children and grandchildren who loved her. The only consolation is that her expansive spirit is reunited with Mr. Hamlett and with her lovely mother, Mrs. Parrish.*
