“ Dear Family,
I worked with Mary Theresa in the '90s. She was an outstanding Extension agent and was always very professional and caring with regard to families in Giles County. It was a joy to work with her. My husband and I have returned to Tennessee and we are sad to learn of Mary Theresa's passing. She left a legacy with the people in her county and her many friends in Cooperative Extension, She will be missed. We will remember her legacy of professionalism, servant leadership, kind manner, and her mentoring of others like me. What a blessing to have known her and to have shared part of life with her.
