“ mary i cannot believe that you have passed away.you were always so full of fun and laughter.i remember all those good times we had at the old giles county hospital where i trained.you were one of a kind people and a good person.i enjoyed you so much and when you had to have surgery you made it something that you wouldn't be afraid to do because you put laughter into it you and luthene and i can't believe that you both are gone now.i know we all have to die but it hurts deeply to hear of good friends passing away.i always loved you and all of the other surgical crew.all of you were a great bunch of people.i know there is not another hospital that has such a good crew like you'all were.i enjoyed you at the hillside hospital too.your family will be remembered in my prayers.i love you Mary.Barbara Sandridge LPN OF 1976
