“ Although we never had the privilege of meeting Captain Damron, we want to thank him for the open, loving arms he put around our son, his Grandson, Paul, when they finally had a chance to meet. Paul spoke so highly of you and was so hoping to spend more time with you. Sadly, that was not to be. Thank you, Sir, for your service to our country and for helping to heal hearts. May God bless your soul and may His angels whisk you to Heaven. Tom & Bonnie

“ I met Curtis in 1972 , On the Uss Uss Mt. Baker. He was my first boss fresh out of A school. He was a 2nd Class PO . I served with him only A year and a half. But I grew to admire and care a great deal for him. He took the time to help me make 3rd class PO. And then he sold me a motorcycle and taught me how to ride it. I found him again several years ago on the internet. Met him in Savannah Ga. a few years ago. He really remembered me. After 45 years. He was a Good friend and a great Shipmate. Rest in peace Shipmate. I will miss you my friend. God bless his family❤️❤️🚢🚢
