“ In a Talk Show format , had many great conversations with Granny Hooie . Her granddaughter , Samantha started a Genealogy for her 10 years ago . What started out as a few questions about the family over time developed into a multi-generation stories. She loved talking about the past and growing up and recalling her life and her family's life in Pulaski . She had a gift for story telling . Granny , going to miss your famous Pink Salad . Love you Granny Hooie.
