“ I have an enduring memory of helping John and Nancy move to Great Falls Montana from Las Vegas. I drove Nancy, Rosie and Caesar (the dogs) in Nancy's yellow convertible vw from Las Vegas to Great Falls. We had a great time despite the man with the gun at the hotel in Idaho Falls and the snowstorm without snow tires. Nancy was steady as a rock; a true anchor to John's rascalion ways. She was an angel. She did not seem to be fazed by John's adventures. Ask Pastor Rick about the "kidnappings" and John's "flying lessons" not to mention his attempt to ride the "mechanical bull". They were great together. I will always remember her kindness, patience and sense of humor. I love you Nancy; go with God.
