“ *My heart reaches out to you in this time of sorrow. Just a memory I have of Paul at a family get together when Paul was about 2 years old. I remember lying on a blanket in the yard and talking to Paul. The smiles that came on his face although he couldn't see me he knew that someone talking to him loved him and he returned that love. I will never forget that special day. One I will always cherish. God Bless. Jerry Smith*
