“ Mrs Corpier was a precious lady. She was a delight at Pulaski Elementary School. It has certainly not been the same since she left. Not quite the same friendliness as she gave every time you talked to her. She certainly loved her job and it showed with how well she treated the children and their parents. With respect and love. Which made it easy to respect her as well and love her as the wonderful person she was. You will be missed Mrs Corpier and thank you for the years of kindness.
