“ Patricia was the most remarkable person I have ever had the pleasure of knowing. Pat came to work with me at The Tennessean Truckstop in Cornersville many years ago and immediately made it clear that she was a special person. Every coworker and customer that came thru the truckstop was touched by her positive and caring way. She could take a negative situation and turn it into a positive and memorable one. If you met Pat one time, you would never forget her kindness and smile. My heart aches to know she is gone, but I can smile knowing that I was graced with her presence.

“ Ever since I was a little girl you were always a bright ray of light every time I saw you. Letting me sit behind the counter with you while I waited for Mom to get off work. Then working with me when I got older. I never met anyone so genuinely full of kindness and love. Your smile could light up the darkest room. I will miss you and your smile forever. Love you Ms. Pat.
