“ Pat, You were my best friend for almost 30 years and you will forever be. I wish I had been there for you as you always had been for me. you were the most loyal and honest person I have ever known. I will never have someone I could trust or that loved me the way that you did. You will be missed and thought of each minute of the day. I am very grateful to have had you in my life, what a wonderful person you were and I know now you are resting in peace without pain something you could not have here on earth. I will see you again someday but my heart will be in pain until then RIP My dear friend.
