“ To the family of Paul Edgmon, my sincerest condolences on your loss of Paul. He was a true gentleman. I inspected the dairy operation for the state many years ago and even though visiting in that often unpopular capacity I was always greeted with a handshake and a genuine smile. Please know that you are in our thoughts and prayers.

“ Chris, Phil and Susan, I am very sorry to hear of your father's passing. Each of you have my deepest sympathy. My fondest memory was of him attending each of our football games. Fathers such as him are a gem.

“ I was clearing some land for Paul and Chris, and they had a Bassett Hound named Jack he was running some deer and bless his heart 3 more deer ran by Jack and Paul said poor O Jack didn't get any respect at all. That made our day for sure.

“ We were all saddened to hear about the passing of Susan’s beloved Father. I did not know Paul, but please know that my heart goes out to you and your family during this difficult time.

What I can say is that Paul has wonderful children. His light shines through to his children. Without Paul and his Wife, we would have not met Susan and Randy. Susan and Randy have touched my Wife and I in a very positive way. You can see that God’s light shines through to Paul and Susan’s light shines through to their children. Thank you Paul!

While we may feel the weight of Paul's absence, take solace in the beautiful memories and Children he provided to touch others.

May the surviving family members find peace and solace in the cherished memories Paul created and may his legacy of love continue to shine brightly in the days ahead.

With heartfelt sympathy,

Jim and Soni Reynolds
