“ Hi, my name is Wilma (Stroup) Hale. Paul and I went to school together at Puxico, Mo. He and his sisters always rode the same bus as I did. I lost touch with him after we graduated. It seems he was raising a family and so was I. He began coming to our class reunions and it was so nice to catch up on what was going on with him. He would tell me about Shannon and the kids. (He was so proud of you Shannon). He was a good and loyal friend and he will be greatly miss by me and many others.

“ Blessing and condolences to Shannon and the rest of Paul's family. Served with Paul on the USS Sam Rayburn SSBN 635 (B) for years and also we and others were roommates in a condo we all shared in Colchester, CT. Paul could always be found in the basement beating away on his drumset! He was a good friend, shipmate and just all around great guy willing to help anyone with anything. Sorry to hear of his passing. God Bless to him and his family. Rest your Oars Sailor...we have the Watch.
