“ My sweet cousin Paula. As a child, we would often gather at our grandparents (Greenway) "block" house just north of Elkton. There were many aunts, uncles and cousins especially around Christmas. It was a blessing when Paula was there. She was always kind and a friendly to everyone. If everyone were like Paul, the world would be a much better place. God's grace and speed.

“ What can I say? You will be greatly missed! An angel on Earth went back home. You were beautiful on the outside but more importantly you had a beautiful soul. I will miss your laugh and the rambling we used to go do. Rest now, because you deserve it! I love you! Go dance with the angels and show them how it is done!
