“ Judy was always so sweet and we loved talking and spending time in conversation with her. It is with great sadness that the time has come to say goodbye to one of our cousins!! She fought a long battle and lived much longer than Dr's predicted. Through her journey she always had such a strong attitude and was ready to accept God's will in her life. Judy will be missed because she is one of those people that leave a mark in the hearts of everyone she met...We love you Glen and family!!! Cousins Jerry and Jean

“ Judy, Robbie and I grew up together. I am their second cousin. Up through our teen years we were inseparable. I could share pages of memories of the fun times we had. Judy will always be on my mind and in my heart. This past year in particular, Rick and I have loved on Judy and Glenn and our hearts are broken. I am comforted by knowing that today and forever more she is with JESUS and we will meet and hug again one day.
