“*Mrs. Hannah as My Senior English teacher and I lover her anyway. She did learnded me some kinda English too. Miss Phyllis on the other hand was a GEM. She and Porter made Me feel more like Family than friend. When they both were a NHC in the same small room they were having a conversation about a cell phone when I stopped by. This was the only time I ever heard her raise her voice. I think she would whipped Porter right then and there if it had not been so hard for her to get out of the bed. They got over it. Thank You for the Memories Miss Phyllis.*

“ I remember many years ago when my Mother's first cousin, Porter Hannah, brought his pretty bride home to Giles County. i marveled at how well she adjusted to country living having lived in Knoxville where her father was a college professor. Adjust she did and became what I considered a perfect farmer's wife . My grandparents lived close by and always enjoyed visiting Porter and Phyllis when we visited from Alabama. I'm sure she touched many lives through the years.

Our condolences to her family.
