“ *All those times he would come walking out with the pit crew for GCHS band, had that awesome hair and supported all the band members in every practice and competition. Always had a smile on his face, never met a stranger. God gained an angel and he will be missed by many.*

“ *Ralph was more than just the dad of a friend of mine. Ralph was everybody's dad. He spent several of my teenage years caring for me and my fellow band geeks! He was known by many and loved by all. Even when i knew he was upset or mad at Brian or Tony for doing something they shouldn't- he never showed anger- it was always about the love for his boys. I remember him being funny too. We would often mock things Ralph did or said because of how funny it was. Like the time he hollered at the dog to sssshhhhuuuutttt uuuuppp. Man we thought that was funny just by the way he said it.*

Tony -thanks for sharing such a wonderful person with all of us growing up. I loved your dad and i will miss him so much!
