“ To Jerry, Marvin, and David: I am so very sad to hear about my friend and confidant from college and for years beyond. I always loved that Becki and I could pick up right where we left off from the last time we spoke, even if it was a while. I will miss her very much. You all are in my prayers. Jean

“ My class was her first at Caldwell County Primary. She had a unique teaching style, but truly cared for her kids. She was then and always will be one of my favorite teachers. Prayers for peace and comfort during the coming days.

“ I was so sorry to hear about Becki's passing. I taught with Becki at Caldwell County Primary School. She was not only a valued member of our faculty but she was also a friend. Believe me when I say your wife and Mom touched many young lives in a very positive way. Please know her friends in Princeton are keeping all of you in our thoughts and prayers during this difficult time.

“ Loved working with ‘Shack’ at Caldwell Primary. We had a lot of laughs together. My parents, Bro Bobby & Elberta Jackson thought a lot of her too. She was definitely missed in Princeton when she moved. Praying for each of you as you go through this time. I know she’s rejoicing now and completely healed.
