“ This is Bob Dunnivant. I worked with Ricky at Holley's Printing for several years. He and I were good friends. I enjoyed interacting with him each day. Life was always full of fun and laughter around Ricky. I have missed him since he retired and will continue to miss him now. He was a friend that I could always count on. I loved him like a brother.

Rickey didn't know it either. His PCP Lisa Weaver said two months ago it was PNEMONIA in his lungs and gave him two shots and medicine then he went to Kelly Baldwin urologist over here Rickey had blood in his kidneys and he said it was an infection so he gave him medicine
