“ Beautiful Rita! She played the organ for our wedding in 1967. We had to get permission to bring the instrument into our sanctuary as we do not have instrumental music in our worship service. She played so beautifully. ❤️ God bless her sweet family and friends. Heaven is blessed with her sweet music now.

“ Love...strength...determined desire...describes Rita's will to play music for others to enjoy. Sharing her gifts was very difficult for her during the past several years and yet she perceived each Sunday. Her dear Allen, with love and care, made sure she was sitting at the organ at St Andrew ... and Rita made her music. Both of them inspiring the rest of us. The organ is quiet now but Rita's music 🎵 🙏 Is playing beautifully in heaven with Jesus! You go girl! We love you and Allen!
